

After a tumultuous 12 months

it's now time to

## BUILD BACK BETTER

*With accelerated learning for ALL*

*How?*

By using our tried and tested approach to dramatically raising standards in teaching and learning with remarkable speed. One that addresses the daily needs of pupils and staff.

***“The scale and speed of the impact has to be seen to be believed.”*** — St Peter’s Primary

Used in over  
**3,000**  
schools here and abroad

Supporting over  
**80,000**  
teachers

Helping over  
**1,000,000**  
children raise standards

***“We would not have believed this amount of progress was even possible.”***— Ofsted

We offer proven programmes of **accelerated learning** for the whole school across the core curriculum which ensure consistent practice, teaching with impact and assessment for learning. Perfect for addressing, from day one, the learning lost.
